

BB BULLDOG BASH

MAROON MARKET

Bulldog Bash™ was created in 1999 to help kick off SEC football play for the Mississippi State Bulldogs. For 24 years, Bulldog Bash™ has strived to be the most successful student-led concert event in the southeast. In its initial year, Bulldog Bash™ drew a crowd of around 2,000 people but has grown tremendously throughout its history. Bulldog Bash™ now boasts crowds of 35,000 students, alumni, and Bulldog fans.

MAROON MARKET is a daytime event that attracts visitors to shop with local vendors. A variety of artists, shops, and food trucks fill the streets of downtown Starkville, surrounded by the music artists from our local stage. All downtown businesses will still be open while Maroon Market vendors set up shop in booths down the center of Main Street. We would also love to invite any MSU Alumni who own local businesses to have a booth during this exciting event!
